

Arran Motel Te Anau - Pet Policy

Arran motel is a pet friendly motel, although being able to bring your pet to Arran Motel is a privilege (which could be revoked) and you must agree to the following items to ensure you, your pet and the other guests at Arran Motel have an enjoyable stay.

As a responsible pet owner, you will ensure:

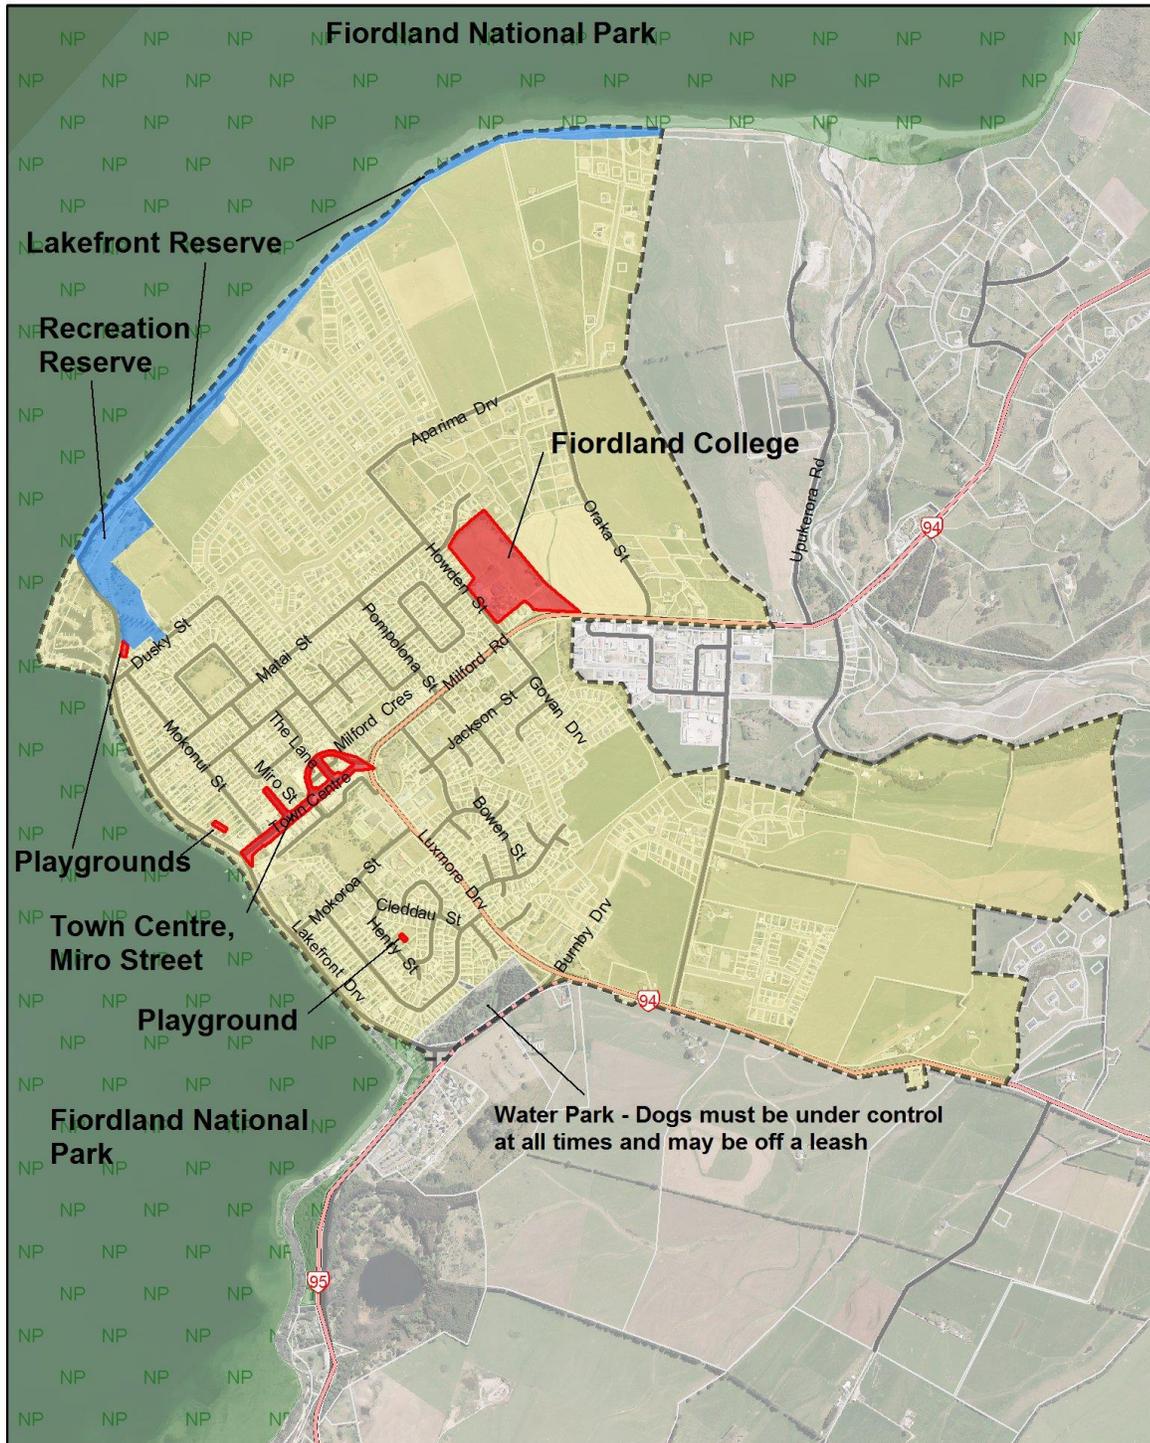

- Your pet is under your full control at all times
- Your pet is not left unattended at any time inside units, on the veranda or vehicles parked outside units
- Pets will have their own bed, not sleep on unit beds. Due to this guideline repeatedly not being adhered to, the managers reserve the right to an exit inspection of bedding which will be undertaken before you leave the premises. Recovery costs (\$100.00) will be required if your pet has been found to have been sleeping in the motel beds/bedding.
- If there is any damage to the units or grounds caused by your pet, you will be fully responsible for any costs incurred to rectify these situations
- If guests or management make a complaint about your pets unnecessary noise (e.g. incessant barking), you will immediately do what you can to curb the noise.
- Your pets' excrement will be picked up and disposed of in the correct bin immediately

By signing this contract, you will be agreeing to be a responsible pet owner at Arran Motel. If any of these points are not adhered to, you may be asked to immediately leave the motel (day or night) with no refund on your payment to the motel.
